

The man in whose judgment you have confidence, the man who stands for progress, accomplishment: In your community invariably has a bank account.

It is not difficult to have such an account. The hard part is the start and we make that easy

If you would enter the ranks of the best citizens you should start an account NOW

MONETT MUST RAISE \$20,000 THIS WEEK.

We are Lagging Behind in Victory Loan and Must Work up to our Responsibility.

Monett has now received the 50 per cent mark in the Victory Loan drive. New committees have been selected to help complete the drive. They are as follows: East of Fourth Street, W. F. Duml, Harry Osborn, Henry Fly, Chas. Mansfield, Perry Short, Pat Martin, Wm. Blennerhassett, Jas. Mansfield, H. Ward Day, and West of Fourth street, W. J. Fleming, Ed Ryan, J. V. Nelson, Dr. A. Jones, E. Folger, A. Cox, L. Jeffries, O. H. Lane, R. M. Callaway and Wm. Gray.

Help this any way you can. If they ask you to subscribe, do so even though you have taken a small note before. This is the best security ever offered by our government and pays the best rate of interest. It won't be necessary for you to lose any interest on time deposits you may have in the bank. It is a better investment than time deposits. These notes are tax exempt and bear coupons. Get busy and talk it among your friends, ask your banks about it and buy now. You are not giving up a cent, only putting it at a good rate of interest in a safe place.

We have a lot of crippled and blind soldiers we must take care of and our boys must be brought home. Every returned soldier should get busy and see that their friends take these notes, or advise some of the committees about their hesitation. Too many people's patriotism is only wind work, and when a thing has to be done they want "George" to do it. "George" is willing to do what he can, but it is time he is finding out about the fellows that don't help.

The new committees have been selected because they are busy representative men of the community. They are, or will all be liberal subscribers of these notes. Give them your support as Monett must make good now. We have made good on every drive before. This is the last one and we must not fail. It is everybody's business to see this drive succeed. Talk to your friends and phone in any valuable information to Headquarters. Sidetrack everything else until this one thing is completed satisfactorily.

Two teams have been appointed; one East and one West of Fourth street. Each team has \$20,000.00 to raise this week. Two teams with a quota of \$5,000.00 each have been selected for the east and west half of the township outside of Monett. They are as follows: Monett Township west of Boggs road, J. F. Mermoud, and Ples, Carlin. Monett Township east of the Boggs road, John Planchon and Alex Bounous.

The results of their work will be published each evening. See that your side of the town or township don't lag behind.

AUCTION AND SALES DAY ATTRACTS BIG CROWD

The Project is Proved Successful and Both Buyers and Sellers are Well Pleased.

Monday dawned bright and fair for the big auction and sales day and hundreds of people began coming into town from miles around to take advantage of the special bargains offered by our merchants. The auction and sales day is something new for Monett and has already proven a grand success. Every merchant in the city offered something special, something at or below cost, and long before closing time some of the merchants had sold out all their special offers. Nearly all the stores employed extra sales clerks for the day and they were kept busy until closing time.

These sales days are getting to be the most talked about affairs of the entire community and hundreds of people make it a regular holiday.

The sale was under the management of S. C. Dow a very capable sales manager with Col. Al Hudson and W. H. Snider auctioneers and was conducted in the best interest of all concerned.

People brought with them to town various articles they wished to sell and at 1:30 o'clock at the pavilion at the corner of Sixth and Broadway, the auction started. Everything was disposed of and all parties concerned were highly pleased with the proceeds.

Each sales day continues to be a little better than the previous one and we will all look forward eagerly to the next one, which will be held June 2.
